ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On March 9, 2012, Berry Petroleum Company (the "Company") entered into the Third Supplemental Indenture (the "Supplemental Indenture") to the Indenture, dated as of June 15, 2006, between the Company and Wells Fargo Bank, National Association, as trustee (the "Base Indenture" and, together with the Supplemental Indenture, the "Indenture"). Also on March 9, 2012, the Company sold and issued \$600 million aggregate principal amount of its 6% senior notes due 2022 (the "Notes") in an underwritten registered offering (the "Offering") under the Securities Act of 1933, as amended (the "Securities Act").

The Notes are the Company's senior unsecured obligations. The Notes rank effectively junior to all of the Company's existing and any future senior secured debt, including its senior secured revolving credit facility and its senior secured money market line of credit, to the extent of the value of the collateral securing that debt, rank equally in right of payment with all of the Company's existing and any future senior unsecured debt and rank senior in right of payment to all of the Company's existing and any future subordinated debt.

The Company will pay interest on the Notes each March 15 and September 15, beginning September 15, 2012. The Notes mature on September 15, 2022. There is no sinking fund for the Notes.

On and after March 15, 2017, the Company may redeem all or, from time to time, a part of the notes upon not less than 30 nor more than 60 days' notice, at the following redemption prices (expressed as a percentage of principal amount of notes to be redeemed), plus accrued and unpaid interest, if any, to the applicable redemption date (subject to the right of holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the 12-month period beginning on March 15 of the years indicated below:

Year	Percentage
2017	103.188%
2018	102.125%
2019	101.063%
2020 and thereafter	100.000%

In addition, before March 15, 2015, the Company may, at its option, on any one or more occasions redeem up to 35% of the aggregate principal amount of the Notes with the net cash proceeds of certain equity offerings and if certain conditions are met as described in the Indenture, at a redemption price of 106.375% of the principal amount thereof, plus accrued and unpaid interest, if any, to the redemption date. At any time prior to March 15, 2017, the Company may also redeem all or part of the Notes at a redemption price equal to 100% of the principal amount of the notes redeemed plus a “make-whole” premium described in the Indenture, plus accrued and unpaid interest, if any, to the redemption date.

If the Company sells certain assets or experiences specific kinds of change of control, each as described in the Indenture, the Company must offer to repurchase the Notes at a purchase

price described in the Indenture plus accrued and unpaid interest, if any, to the date of repurchase.

The Indenture contains covenants that impose restrictions upon the ability of the Company and its future restricted subsidiaries to:

- incur, assume or guarantee additional indebtedness or issue redeemable stock;
- pay dividends or distributions or redeem or repurchase capital stock;
- prepay, redeem or repurchase debt that is junior in right of payment to the Notes;
- make loans and other types of investments;
- incur liens;
- restrict dividends, loans or asset transfers from the Company’s subsidiaries;
- sell or otherwise dispose of assets, including capital stock of subsidiaries;
- consolidate or merge with or into, or sell substantially all of the Company’s assets to, another person;
- enter into transactions with affiliates; and
- enter into new lines of business.

These covenants are subject to important exceptions and qualifications set forth in the Indenture.

The Indenture contains customary events of default, including:

- default in any payment of interest on any Note when due, continued for 30 days;
- default in the payment of principal of or premium, if any, on any Note when due;
- failure by the Company or any Subsidiary Guarantor (as defined in the Indenture) to comply with its obligations under the Indenture, in certain cases subject to notice and grace periods;
- payment defaults and accelerations with respect to other indebtedness of the Company and its Restricted Subsidiaries (as defined in the Indenture) in the aggregate principal amount of \$25.0 million or more;
- certain events of bankruptcy, insolvency or reorganization of the Company or Significant Subsidiary (as defined in the Indenture) or a group of Restricted Subsidiaries that, taken together would constitute a Significant Subsidiary;

- failure by the Company or any Significant Subsidiary or group of Restricted Subsidiaries that, taken together would constitute a Significant Subsidiary to pay certain final judgments aggregating in excess of \$25.0 million within 60 days; and
- any Subsidiary Guarantee (as defined in the Indenture) of a Significant Subsidiary or group of Restricted Subsidiaries that, taken together would constitute a Significant Subsidiary ceases to be in full force and effect, is declared null and void in a judicial proceeding or is denied or disaffirmed by its maker.

During the continuance of a default with respect to failure to file certain reports with the Securities and Exchange Commission and the trustee for 60 days or more, the interest rate on the Notes increases by 0.50% per annum.

If an event of default under the Indenture occurs and is continuing, the trustee or the holders of at least 25% in principal amount of the outstanding Notes may declare the principal of, premium, if any, and accrued and unpaid interest, if any, on the Notes to be due and payable, or, in the case of certain events of default relating to bankruptcy, insolvency or reorganization, those amounts will automatically become immediately due and payable.

Copies of the Base Indenture, the Supplemental Indenture and the form of Note are filed as Exhibits 4.1, 4.2 and 4.3, respectively, to this report and are incorporated herein by reference. The foregoing descriptions of the terms of the Indenture and the Notes are qualified in their entirety by such documents.

The Offering was made under the Company's Registration Statement on Form S-3 (Registration No. 333-161243). The net proceeds of the Offering, after deducting underwriting discounts and estimated offering expenses, were approximately \$589 million. The Company intends to use the net proceeds to redeem all \$200 million outstanding principal amount of its 8¼% Senior Subordinated Notes due 2016 (the "2016 Notes"), to finance a cash tender offer (the "Tender Offer") for up to \$150 million aggregate principal amount of its 10¼% Senior Notes due 2014 (the "2014 Notes"), and to reduce outstanding borrowings under its senior secured revolving credit facility. To the extent that the Company purchases less than \$150 million of its 2014 Notes in the Tender Offer, the Company intends to use the net proceeds that otherwise would have been used to purchase the 2014 Notes to further reduce outstanding borrowings under its senior secured revolving credit facility. Pending the application of the net proceeds to redeem the 2016 Notes and finance the Tender Offer, the Company intends to reduce outstanding borrowings under its senior secured revolving credit facility, and it may temporarily invest the remaining net proceeds in cash equivalents or short-term investments.

ITEM 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION.

The information set forth under Item 1.01 above is hereby incorporated into this Item 2.03 by reference.

ITEM 8.01 OTHER EVENTS.

Pursuant to the terms of Company's Second Amended and Restated Credit Agreement dated June 17, 2011, as amended, among the Company, Wells Fargo Bank, National Association, as trustee, and the lenders named therein, as amended, the issuance of the Notes automatically reduced the borrowing base under the Company's senior secured revolving credit facility by 25 cents per dollar of Notes issued. The tender and purchase of the 2014 Notes pursuant to the Tender Offer will increase the borrowing base under the Company's senior secured revolving credit facility by 25 cents per dollar, resulting in a net decrease in the borrowing base of \$112.5 million (assuming \$150 million aggregate principal amount of 2014 Notes are purchased) to approximately \$1287.5 million.

Recitals of the Company

WHEREAS, the Company and the Trustee executed and delivered an Indenture, dated as of June 15, 2006 (the “**Original Indenture**”), to provide for the issuance by the Company from time to time of its debentures, notes or other evidences of indebtedness (as defined therein, “**Securities**”), which may be issued in one or more series as provided in the Original Indenture;

WHEREAS, the Original Indenture is incorporated herein by this reference, and the Original Indenture, as supplemented by this Third Supplemental Indenture and any other supplemental indentures applicable to the Securities created pursuant to this Third Supplemental Indenture, is herein called the “**Indenture**”;

WHEREAS, under the Original Indenture, a new series of Securities may at any time be established in or pursuant to a Board Resolution, an Officers’ Certificate or one or more indentures supplemental to the Original Indenture;

WHEREAS, the Company proposes to create under the Indenture a new series of Securities designated as 6³/₈% Senior Notes due 2022 and to add new provisions to, and change and eliminate certain existing provisions of, the Original Indenture in respect of (i) such new series of Securities and (ii) as and to the extent specified herein, any additional series of Securities of other series hereafter established and issued pursuant to the Indenture as at the time supplemented and modified;

WHEREAS, additional Securities of other series hereafter established, except as may be limited in the Original Indenture as at the time supplemented and modified, may be issued from time to time pursuant to the Indenture as at the time supplemented and modified;

WHEREAS, pursuant to the First Supplemental Indenture dated May 27, 2009 to the Original Indenture, there has been established as a series of Securities under the Original Indenture the Company’s 10¹/₄% Senior Notes due 2014, it being understood that such First Supplemental Indenture shall not be deemed to be applicable to the Securities created pursuant to this Third Supplemental Indenture;

WHEREAS, pursuant to the Second Supplemental Indenture dated November 1, 2010 to the Original Indenture, there has been established as a series of Securities under the Original Indenture the Company's 6¾% Senior Notes due 2020, it being understood that such Second Supplemental Indenture shall not be deemed to be applicable to the Securities created pursuant to this Third Supplemental Indenture;

WHEREAS, all conditions necessary to authorize the execution and delivery of this Third Supplemental Indenture and make it a valid and binding obligation of the Company in accordance with its terms, have been done or performed.

NOW, THEREFORE, THIS THIRD SUPPLEMENTAL INDENTURE WITNESSETH:

For and in consideration of the premises set forth herein and for other good and valuable consideration the sufficiency of which is hereby acknowledged, it is mutually agreed as follows:

**ARTICLE ONE
ESTABLISHMENT OF SERIES**

SECTION 1.01 Establishment.

There is hereby established a new series of Securities to be issued under the Indenture, to be designated as the Company's 6¾% Senior Notes due 2022 (the "**Notes**"). This Third Supplemental Indenture shall be deemed to satisfy all requirements of Section 301 of the Original Indenture necessary for establishment of the Notes as a series of Securities under the Indenture notwithstanding anything to the contrary therein.

There are to be authenticated and delivered Notes, initially limited in aggregate principal amount of \$600,000,000 and no further Notes shall be authenticated and delivered except as provided by the terms of the Original Indenture and the terms of this Third Supplemental Indenture; *provided, however*, that additional Notes having identical terms and conditions as the Notes other than issue date, the issue price, the date from which interest thereon shall accrue, legends, if any, to be included thereon and the first Interest Payment Date (the "**Additional Notes**") may be issued from time to time in the future, without the consent of the Holders of the Notes, in accordance with the provisions of the Indenture. With respect to any Additional Notes, the Company shall set forth in a resolution of the Board of Directors or an Officers' Certificate, the following information:

- (a) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to the Indenture;
- (b) the issue date, the issue price, the first Interest Payment Date of such Additional Notes, the date from which interest shall accrue and legends, if any, to be included thereon; and
- (c) the CUSIP and ISIN numbers of the Additional Notes.

The Notes and the Additional Notes, if any, shall be considered collectively as a single class for all purposes of the Indenture. Holders of the Notes and the Additional Notes, if any, shall vote and consent together on all matters to which such Holders are entitled to vote or consent as one class, and none of the Holders of the Notes or the Additional Notes, if any, shall have the right to vote or consent as a separate class on any matter to which such Holders are entitled to vote or consent.

The Notes shall be issued in fully registered form without coupons, and only in denominations of \$2,000 and larger integral multiples of \$1,000. The Notes shall be issued in the

form of one or more Global Securities in substantially the form set out in Exhibit A hereto. The initial Depository with respect to the Notes shall be DTC. Payments in respect of Notes represented by a Global Security (including principal, premium and interest) shall be made by wire transfer of immediately available funds to the accounts specified by DTC.

Each Note shall be dated the date of authentication thereof and shall bear interest from the date of original issuance thereof or from the most recent Interest Payment Date to which interest has been paid or duly provided for.

The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage or DTC rule or usage in addition to those set forth on Exhibit A. The Company and the Trustee shall approve the forms of the Notes and any notation, endorsement or legend on them, such approval to be evidenced by the execution or authentication, respectively, and delivery of the Notes by the Company or the Trustee, respectively. The terms of the Notes set forth in Exhibit A are part of the terms of the Indenture and, to the extent applicable, the Company and the Trustee, by their execution and delivery of this Third Supplemental Indenture, expressly agree to be bound by such terms.

SECTION 1.02 Book-Entry Provisions.

This Section 1.02 shall apply only to Global Securities deposited with the Trustee, as custodian for DTC.

Each Global Security initially shall (x) be registered in the name of DTC for such Global Security or the nominee of DTC, (y) be delivered to the Trustee as custodian for DTC and (z) bear legends as set forth in Section 202 of the Original Indenture.

Members of, or participants in, DTC ("**Agent Members**") shall have no rights under the Indenture with respect to any Global Security held on their behalf by DTC or by the Trustee as the custodian of DTC or under such Global Security, and DTC may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of such Global Security for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization

furnished by DTC or impair, as between DTC and its Agent Members, the operation of customary practices of DTC governing the exercise of the rights of a Holder of a beneficial interest in any Global Security.

In connection with any transfer of a portion of the beneficial interest in a Global Security pursuant to Section 1.03 of this Third Supplemental Indenture to beneficial owners who are required to hold Definitive Securities, the Securities Custodian shall reflect on its books and records the date and a decrease in the principal amount of such Global Security in an amount equal to the principal amount of the beneficial interest in the Global Security to be transferred, and the Company shall execute, and the Trustee shall authenticate and deliver, one or more Definitive Securities of like tenor and amount.

In connection with the transfer of an entire Global Security to beneficial owners pursuant to Section 1.03 of this Third Supplemental Indenture, such Global Security shall be deemed to be surrendered to the Trustee for cancellation, and the Company shall execute, and the Trustee shall

5

authenticate and deliver, to each beneficial owner identified by DTC in exchange for its beneficial interest in such Global Security, an equal aggregate principal amount of Definitive Securities of authorized denominations.

The registered Holder of a Global Security may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under the Indenture or the Notes.

SECTION 1.03 Definitive Securities.

Except as provided below, owners of beneficial interests in Global Securities shall not be entitled to receive Definitive Securities. If required to do so pursuant to any applicable law or regulation, beneficial owners may obtain Definitive Securities in exchange for their beneficial interests in a Global Security upon written request in accordance with DTC's and the Registrar's procedures. In addition, Definitive Securities shall be transferred to all beneficial owners in exchange for their beneficial interests in a Global Security if (a) DTC notifies the Company that it is unwilling or unable to continue as depository for such Global Security or DTC ceases to be a clearing agency registered under the Exchange Act, at a time when DTC is required to be so registered in order to act as depository, and in each case a successor depository is not appointed by the Company within 90 days of such notice or, (b) the Company executes and delivers to the Trustee and Registrar an Officers' Certificate stating that such Global Security shall be so exchangeable or (c) an Event of Default has occurred and is continuing and the Registrar has received a request from DTC.

In connection with the exchange of a portion of a Definitive Security for a beneficial interest in a Global Security, the Trustee shall cancel such Definitive Security, and the Company shall execute, and the Trustee shall authenticate and deliver, to the transferring Holder a new Definitive Security representing the principal amount not so transferred.

ARTICLE TWO
DEFINITIONS AND OTHER PROVISIONS OF GENERAL APPLICATION

SECTION 2.01 Amendments to Definitions.

Each capitalized term used but not defined in this Third Supplemental Indenture shall have the meaning given to it in the Original Indenture, except that with respect to the Notes, the terms defined in this Supplemental Indenture shall have the meanings set forth herein in lieu of the meaning of such term in the Original Indenture.

SECTION 2.02 Definitions.

The following defined terms used herein with respect to the Notes shall, unless the context otherwise requires, have the meanings specified below (notwithstanding any other meaning given to such terms in the Original Indenture):

"Acquired Indebtedness" means Indebtedness (1) of a Person or any of its Subsidiaries existing at the time such Person becomes a Restricted Subsidiary or (2) assumed in connection with the acquisition of assets from such Person, in each case whether or not Incurred by such

6

Person in connection with, or in anticipation or contemplation of, such Person becoming a Restricted Subsidiary or such acquisition. Acquired Indebtedness shall be deemed to have been Incurred, with respect to clause (1) of the preceding sentence, on the date such Person becomes a Restricted Subsidiary and, with respect to clause (2) of the preceding sentence, on the date of consummation of such acquisition of assets.

"Additional Assets" means:

- (1) any property, plant, equipment or other asset (excluding current assets) to be used by the Company or a Restricted Subsidiary in a Related Business;
- (2) capital expenditures by the Company or a Restricted Subsidiary in a Related Business;
- (3) the Capital Stock of a Person that becomes a Restricted Subsidiary as a result of the acquisition of such Capital Stock by the Company or a Restricted Subsidiary; or
- (4) Capital Stock constituting a minority interest in any Person that at such time is a Restricted Subsidiary;

provided, however, that, in the case of clauses (3) and (4), such Restricted Subsidiary is primarily engaged in a Related Business.

"Additional Interest" means additional interest at a rate of 0.50% per annum.

“Adjusted Consolidated Net Tangible Assets” means (without duplication), as of the date of determination, the remainder of:

(a) the sum of:

(i) discounted future net revenues from proved oil and gas reserves of the Company and its Restricted Subsidiaries calculated in accordance with Commission guidelines before any provincial, territorial, state, Federal or foreign income taxes, as estimated by the Company in a reserve report prepared as of the end of the Company’s most recently completed fiscal year for which audited financial statements are available, as increased by, as of the date of determination, the estimated discounted future net revenues from

(A) estimated proved oil and gas reserves acquired since such year end, which reserves were not reflected in such year end reserve report, and

(B) estimated oil and gas reserves attributable to upward revisions of estimates of proved oil and gas reserves since such year end due to exploration, development or exploitation activities,

in each case calculated in accordance with Commission guidelines (utilizing the prices for the fiscal quarter ending prior to the date of determination),

7

and decreased by, as of the date of determination, the estimated discounted future net revenues from

(C) estimated proved oil and gas reserves produced or disposed of since such year end, and

(D) estimated oil and gas reserves attributable to downward revisions of estimates of proved oil and gas reserves since such year end due to changes in geological conditions or other factors which would, in accordance with standard industry practice, cause such revisions,

in each case calculated on a pre-tax basis and substantially in accordance with Commission guidelines (utilizing the prices for the fiscal quarter ending prior to the date of determination), in each case as estimated by the Company’s petroleum engineers or any independent petroleum engineers engaged by the Company for that purpose;

(ii) the capitalized costs that are attributable to oil and gas properties of the Company and its Restricted Subsidiaries to which no proved oil and gas reserves are attributable, based on the Company’s books and records as of a date no earlier than the date of the Company’s latest available annual or quarterly financial statements;

(iii) the Net Working Capital on a date no earlier than the date of the Company’s latest annual or quarterly financial statements; and

(iv) the greater of

(A) the net book value of other tangible assets of the Company and its Restricted Subsidiaries, as of a date no earlier than the date of the Company’s latest annual or quarterly financial statements, and

(B) the appraised value, as estimated by independent appraisers, of other tangible assets of the Company and its Restricted Subsidiaries, as of a date no earlier than the date of the Company’s latest audited financial statements;

minus

(b) the sum of:

(i) Minority Interests;

(ii) any net gas balancing liabilities of the Company and its Restricted Subsidiaries reflected in the Company’s latest audited financial statements;

(iii) to the extent included in (a)(i) above, the discounted future net revenues, calculated in accordance with Commission guidelines (utilizing the prices utilized in the Company’s year end reserve report), attributable to reserves which are required to be delivered to third parties to fully satisfy the obligations of the Company and its Restricted

8

Subsidiaries with respect to Volumetric Production Payments (determined, if applicable, using the schedules specified with respect thereto); and

(iv) the discounted future net revenues, calculated in accordance with Commission guidelines, attributable to reserves subject to Dollar-Denominated Production Payments which, based on the estimates of production and price assumptions included in determining the discounted future net revenues specified in (a)(i) above, would be necessary to fully satisfy the payment obligations of the Company and its Subsidiaries with respect to Dollar-Denominated Production Payments (determined, if applicable, using the schedules specified with respect thereto).

If the Company changes its method of accounting from the successful efforts method of accounting to the full cost or a similar method, “Adjusted Consolidated Net Tangible Assets” will continue to be calculated as if the Company were still using the successful efforts method of accounting.

“Adjusted Net Assets” of a Subsidiary Guarantor at any date means the amount by which the fair value of the properties of such Subsidiary Guarantor exceeds the total amount of liabilities, including contingent liabilities (after giving effect to all other fixed and contingent liabilities incurred or

assumed on such date), but excluding liabilities under its Subsidiary Guarantee, of such Subsidiary Guarantor at such date.

For purposes of this definition, whenever pro forma effect is to be given to any calculation under this definition, the pro forma calculations shall be determined in good faith by a responsible financial or accounting officer of the Company (including pro forma expense and cost reductions calculated on a basis consistent with Regulation S-X under the Securities Act). If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest expense on such Indebtedness shall be calculated as if the rate in effect on the date of determination had been the applicable rate for the entire period (taking into account any Interest Rate Agreement applicable to such Indebtedness to the extent of the remaining term thereof).  - (a) is caused by a failure to pay principal of, or interest or premium, if any, on such Indebtedness prior to the expiration of the grace period provided in such Indebtedness ("**Payment Default**"); or
 - (b) results in the acceleration of such Indebtedness prior to its maturity;

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a Payment Default or the maturity of which has been so accelerated, aggregates \$25.0 million or more;

However, a Default under clauses (4), (5)(b) and (9)(a)(i) of this Section 3.02 shall not constitute an Event of Default until the Trustee or the Holders of 25% in principal amount of the outstanding Notes notify the Company of the Default and the Company does not cure such Default within the time specified in clauses (4), (5)(b) and (9)(a)(i) of this Section 3.02 after receipt of such notice.

During the continuance of a Default under clause (5)(a) above of this Section 3.02, the interest rate on the Notes shall increase by the Additional Interest.

SECTION 3.03 Acceleration

With respect to the Notes, if an Event of Default (other than an Event of Default described in clause (7) of Section 3.02 of this Third Supplemental Indenture) occurs and is continuing, the Trustee by notice to the Company, or the Holders of at least 25% in principal amount of the outstanding Notes by written notice to the Company and the Trustee, may, and the Trustee at the request of such Holders shall, declare the principal of, premium, if any, and accrued and unpaid interest, if any, on all the Notes to be due and payable. Upon such a declaration, such principal, premium and accrued and unpaid interest shall be immediately due and payable. In the event of a declaration of acceleration of the Notes because an Event of Default described in clause (6) of Section 3.02 of this Third Supplemental Indenture has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the default triggering such Event of Default pursuant to clause (6) shall be remedied or cured by the Company or a Restricted Subsidiary or waived by the Holders of the relevant Indebtedness within 20 days after the declaration of acceleration with respect thereto and if (1) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (2) all existing Events of Default, except nonpayment of principal, premium or interest on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived. If an Event of Default described in clause (7) of Section 3.02 of this Third Supplemental Indenture occurs and is continuing, the principal of, premium, if any, and accrued and unpaid interest on all the Notes shall become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders. The Holders of a majority in principal amount of the outstanding Notes may waive

43

all past defaults (except with respect to nonpayment of principal, premium or interest) and rescind any such acceleration with respect to the Notes and its consequences if (1) rescission would not conflict with any judgment or decree of a court of competent jurisdiction and (2) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, and interest on the Notes that have become due solely by such declaration of acceleration, have been cured or waived.

SECTION 3.04 Control by Holders

Subject to Section 509 of the Original Indenture, with respect to the Notes, the Holders of a majority in principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee, *provided* that the Trustee may refuse to follow any direction:

- (1) that conflicts with law or the Indenture, or

provided, however, that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. Prior to taking any action hereunder, the Trustee shall be entitled to indemnification satisfactory to it in its sole discretion against all losses and expenses caused by taking or not taking such action.

- (5) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, together stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with the Indenture.

Notwithstanding the preceding clause (3) of this Section 4.02, (a) any Restricted Subsidiary may consolidate with, merge into or transfer all or part of its properties and assets to the Company or any Subsidiary Guarantor and (b) the Company may merge with an Affiliate incorporated solely for the purpose of reincorporating the Company in another jurisdiction to realize tax benefits; *provided* that, in the case of a Restricted Subsidiary that merges into the Company or any Subsidiary Guarantor, the Company shall not be required to comply with the preceding clause (5) of this Section 4.02.

With respect to the Notes, upon any consolidation of the Company with, or merger of the Company into, any other Person or any conveyance, transfer or lease of all or substantially all its assets in accordance with Section 4.02 of this Third Supplemental Indenture, the successor Person formed by such consolidation or into which the Company is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company under the Indenture with the same effect as if such successor Person had been named as the Company herein, and the predecessor Company shall be released from its obligations under the Indenture, but, in the case of a lease of all or substantially

- (1) (a) if such entity remains a Subsidiary Guarantor, the resulting, surviving or transferee Person shall be a corporation, partnership, trust or limited liability company organized and existing under the laws of the United States of America, any State of the United States or the District of Columbia and shall have by supplemental indenture confirmed that its Subsidiary Guarantee shall apply to such Person's obligations in respect of the Indenture and the Notes; (b) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the resulting, surviving or transferee Person or any Restricted Subsidiary as a result of such transaction as having been Incurred by such Person or such Restricted Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing; and (c) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, together stating that such consolidation, merger or transfer and such supplemental indenture (if any) comply with the Indenture; and
- (2) the transaction is made in compliance with Section 6.11 of this Third Supplemental Indenture (it being understood that only such portion of the Net Available Cash as is required to be applied on the date of such transaction in accordance with the terms of the Indenture needs to be applied in accordance therewith at such time), Section 6.13 of this Third Supplemental Indenture and this Article Four.

ARTICLE FIVE SUPPLEMENTAL INDENTURES WITH RESPECT TO THE NOTES

After an amendment under this Section 5.02 becomes effective, the Company shall mail to Holders a notice briefly describing such amendment. The failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment under this Section 5.02.

SECTION 5.03 Supplemental Indentures With Consent of Holders

The Company, any Subsidiary Guarantors and the Trustee may amend or supplement the Indenture or the Notes without notice to any Holder but with the written consent of the Holders

However, without the consent of each Holder affected, an amendment, supplement or waiver may not:

It shall not be necessary for the consent of the Holders under this Section 5.03 to approve the particular form of any proposed amendment or supplement, but it shall be sufficient if such consent approves the substance thereof. A consent to any amendment, supplement or waiver under the Indenture

by any Holder of the Notes given in connection with a tender of such Holder's Notes shall not be rendered invalid by such tender.

After an amendment or supplement under this Section 5.03 becomes effective, the Company shall mail to Holders a notice briefly describing such amendment or supplement. The

failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of an amendment or supplement under this Section 5.03.

ARTICLE SIX COVENANTS WITH RESPECT TO THE NOTES

SECTION 6.01 Original Indenture

- (a) Sections 1001, 1005 and 1007 of the Original Indenture shall not apply to the Notes.
- (b) The last word of Section 1008 of the Original Indenture shall be deleted and replaced with the word "amendment".
- (c) With respect to the Notes, the references in Section 1009 of the Original Indenture to (1) Section 901(2) shall also include Section 5.02(6) of this Third Supplemental Indenture, and (2) Section 1005 of the Original Indenture shall be amended to refer to Section 6.03 of this Third Supplemental Indenture.

SECTION 6.02 Payment of Principal, Premium and Interest

The Company covenants and agrees for the benefit of the Notes that it shall duly and punctually pay the principal of and any premium and interest on the Notes in accordance with the terms of the Notes and the Indenture.

The Company shall pay interest on overdue principal at the rate specified therefor in the Notes, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

SECTION 6.03 Existence

Subject to Article Four and Section 9.02 of this Third Supplemental Indenture, the Company and each of the Subsidiary Guarantors shall do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence and that of each Restricted Subsidiary and the corporate rights (charter and statutory), licenses and franchises of the Company and each Restricted Subsidiary; *provided, however*, that the Company shall not be required to preserve any such existence (except the Company), right, license or franchise if the Board of Directors of the Company shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and each of its Restricted Subsidiaries, taken as a whole, and that the loss thereof would not have a material adverse effect on the ability of the Company to perform its obligations under the Notes or the Indenture, *provided, further*, the Company and each Restricted Subsidiary may merge in accordance with Article Four and Section 9.02 of this Third Supplemental Indenture.

SECTION 6.04 Statement by Officers as to Default

The Company shall deliver to the Trustee, as soon as possible and in any event within thirty days after the Company becomes aware of the occurrence of any Event of Default or an

event which, with notice or the lapse of time or both, would constitute a certain Default, an Officers' Certificate setting forth the details of such Event of Default or default and the action which the Company is taking or proposing to take with respect thereto.

SECTION 6.05 Effectiveness of Covenants

Following the first day on which:

- (a) the Notes have an Investment Grade Rating from both of the Ratings Agencies; and
- (b) no Default has occurred and is continuing under the Indenture;

the Company and its Restricted Subsidiaries shall not be subject to Sections 6.06, 6.07, 6.08, 6.10, 6.11, 6.12, 6.13, and clause (3) of Section 4.02 of this Third Supplemental Indenture (collectively, the "**Suspended Covenants**"). If at any time the Notes' credit rating is downgraded from an Investment Grade Rating by any Rating Agency or a Default or Event of Default occurs and is continuing, then the Suspended Covenants shall thereafter be reinstated as if such covenants had never been suspended (the "**Reinstatement Date**") and thereafter be applicable pursuant to the terms of the Indenture (including in connection with performing any calculation or assessment to determine compliance with the terms of the Indenture), unless and until the Notes subsequently attain an Investment Grade Rating (in which event the Suspended Covenants shall no longer be in effect for such time that the Notes maintain an Investment Grade Rating and no Default or Event of Default has occurred and is continuing);

provided, however, that no Default, Event of Default or breach of any kind shall be deemed to exist under the Indenture, the Notes or the Subsidiary Guarantees with respect to the Suspended Covenants based on, and none of the Company or any of its Subsidiaries shall bear any liability for, any actions taken or events occurring after the Notes attain an Investment Grade Rating and before any reinstatement of such Suspended Covenants as provided above, or any actions taken at any time pursuant to any contractual obligation arising prior to such reinstatement, regardless of whether such actions or events would have been permitted if the applicable Suspended Covenants remained in effect during such period. The period of time between the date of suspension of the covenants and the Reinstatement Date is referred to as the "**Suspension Period**."

On the Reinstatement Date, all Indebtedness Incurred during the Suspension Period shall be classified to have been Incurred pursuant to Section 6.06(a) of this Third Supplemental Indenture or one of the clauses set forth in Section 6.06(b) of this Third Supplemental Indenture (to the extent such Indebtedness would be permitted to be Incurred thereunder as of the Reinstatement Date and after giving effect to Indebtedness Incurred prior to the Suspension Period and outstanding on the Reinstatement Date). To the extent such Indebtedness would not be so permitted to be Incurred pursuant to the Section 6.06(a) or (b) of this Third Supplemental Indenture, such Indebtedness shall be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under clause (4)(b) of Section 6.06(b) of this Third Supplemental Indenture. Calculations made after the Reinstatement Date of the amount available to be made as Restricted Payments under Section 6.08 of this Third Supplemental Indenture shall be made as

though Section 6.08 of this Third Supplemental Indenture had been in effect since the Issue Date and throughout the Suspension Period. Accordingly, Restricted Payments made during the Suspension Period shall reduce the amount available to be made as Restricted Payments under Section 6.08(a) of this Third Supplemental Indenture.

During any period when the Suspended Covenants are suspended, the Board of Directors of the Company may not designate any of the Company's Subsidiaries as Unrestricted Subsidiaries pursuant to the Indenture.

SECTION 6.06 Limitation on Indebtedness

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, Incur any Indebtedness (including Acquired Indebtedness); *provided, however*, that the Company and any Subsidiary Guarantor may Incur Indebtedness if on the date thereof:

(1) the Consolidated Coverage Ratio for the Company and its Restricted Subsidiaries is at least 2.25 to 1.00; and

(2) no Default or Event of Default shall have occurred or be continuing or would occur as a consequence of Incurring the Indebtedness or transactions relating to such Incurrence.

(b) Section 6.06(a) of this Third Supplemental Indenture shall not prohibit the Incurrence of the following Indebtedness:

(1) Indebtedness of the Company or any Subsidiary Guarantor Incurred pursuant to Credit Facilities in an aggregate amount outstanding at any time up to the greater of (a) \$1.2 billion and (b) 30% of Adjusted Consolidated Net Tangible Assets determined as of the date of the Incurrence of such Indebtedness;

(2) Guarantees by (a) the Company or Subsidiary Guarantors of Indebtedness Incurred by the Company or a Subsidiary Guarantor in accordance with the provisions of the Indenture; *provided* that in the event such Indebtedness that is being Guaranteed is a Subordinated Obligation or a Guarantor Subordinated Obligation, then the related Guarantee shall be subordinated in right of payment to the Notes or the Subsidiary Guarantee, as the case may be, and (b) Non-Guarantor Restricted Subsidiaries of Indebtedness Incurred by Non-Guarantor Restricted Subsidiaries in accordance with the provisions of the Indenture;

(3) Indebtedness of the Company owing to and held by any Restricted Subsidiary or Indebtedness of a Restricted Subsidiary owing to and held by the Company or any Restricted Subsidiary; *provided, however*,

(A) if the Company is the obligor on such Indebtedness, such Indebtedness is expressly subordinated to the prior payment in full in cash of all obligations with respect to the Notes;

(B) if a Subsidiary Guarantor is the obligor on such Indebtedness and the Company or a Subsidiary Guarantor is not the obligee, such Indebtedness is subordinated in right of payment to the Subsidiary Guarantee of such Subsidiary Guarantor; and

(C) (i) any subsequent issuance or transfer of Capital Stock or any other event which results in any such Indebtedness being beneficially held by a Person other than the Company or a Restricted Subsidiary of the Company; and (ii) any sale or other transfer of any such Indebtedness to a Person other than the Company or a Restricted Subsidiary of the Company, shall be deemed, in each case under this clause (C), to constitute an Incurrence of such Indebtedness by the Company or such Subsidiary, as the case may be;

(4) Indebtedness represented by (a) the Notes issued on the Issue Date and any Subsidiary Guarantees, (b) any Indebtedness (other than the Indebtedness described in clauses (1), (2), (3), (6), (8), (9) and (10) of this Section 6.06(b)) outstanding on the Issue Date and (c) any Refinancing Indebtedness Incurred in respect of any Indebtedness described in this clause (4) or clause (5) of this Section 6.06(b) or Incurred pursuant to Section 6.06(a) of this Third Supplemental Indenture;

(5) Indebtedness of a Restricted Subsidiary Incurred and outstanding on the date on which such Restricted Subsidiary was acquired by, or merged into, the Company or any Restricted Subsidiary or such Restricted Subsidiary was designated as such (other than Indebtedness Incurred (a) to provide all or any portion of the funds utilized to consummate the transaction or series of related transactions pursuant to which such Restricted Subsidiary became a Restricted Subsidiary or was otherwise acquired by the Company or (b) otherwise in connection with, or in contemplation of, such acquisition); *provided, however*, that at the time such Restricted Subsidiary is so acquired, merged or designated, the Company would have been able to Incur \$1.00 of additional Indebtedness pursuant to Section 6.06(a) of this Third Supplemental Indenture after giving effect to the Incurrence of such Indebtedness pursuant to this clause (5);

(6) Indebtedness under Hedging Obligations that are Incurred in the ordinary course of business (and not for speculative purposes) (a) for the purpose of fixing or hedging interest rate risk with respect to any Indebtedness permitted under the Indenture; (b) for the purpose of fixing

or hedging currency exchange rate risk with respect to any currency exchanges; or (c) for the purpose of fixing or hedging commodity price risk with respect to any commodities;

(7) the Incurrence by the Company or any of its Restricted Subsidiaries of Indebtedness represented by Capitalized Lease Obligations, mortgage financings, purchase money obligations or other payments, in each case Incurred to finance all or any part of the purchase price or cost of construction or improvement of assets or property (other than Capital Stock or other Investments) acquired, constructed or improved by the Company or such Restricted Subsidiary and related financing costs, and Attributable Indebtedness, and all Refinancing Indebtedness Incurred to refund, defease, renew,

52

extend, refinance or replace any Indebtedness Incurred pursuant to this clause (7), in an aggregate principal amount not to exceed \$25.0 million at any time outstanding;

(8) Indebtedness Incurred in respect of workers' compensation claims, self-insurance obligations, performance, surety and similar bonds and completion guarantees provided by the Company or a Restricted Subsidiary in the ordinary course of business;

(9) Indebtedness arising from agreements of the Company or a Restricted Subsidiary providing for indemnification, adjustment of purchase price or similar obligations, in each case, Incurred or assumed in connection with the acquisition or disposition of any business, assets or Capital Stock of a Restricted Subsidiary or any business or assets of the Company and Refinancing Indebtedness Incurred with the same counterparty in respect thereof, *provided* that the maximum aggregate liability in respect of all such Indebtedness shall at no time exceed the gross proceeds actually paid or received by the Company and its Restricted Subsidiaries in connection with such acquisition or disposition;

(10) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument (except in the case of daylight overdrafts) drawn against insufficient funds or in respect of cash management services provided by a bank or other financial institution, each in the ordinary course of business, *provided, however*, that such Indebtedness is extinguished within five Business Days of Incurrence;

(11) Indebtedness in respect of the financing of insurance premiums with the providers of such insurance or their Affiliates in the ordinary course of business;

(12) for the avoidance of doubt, in-kind obligations relating to net oil or natural gas balancing positions arising in the ordinary course of business; and

(13) in addition to the items referred to in clauses (1) through (12) above, Indebtedness of the Company and its Restricted Subsidiaries in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness Incurred pursuant to this clause (13) and then outstanding, shall not exceed \$20.0 million at any time outstanding.

The Company shall not Incur any Indebtedness under the preceding paragraph if the proceeds thereof are used, directly or indirectly, to refinance any Subordinated Obligations of the Company unless such Indebtedness shall be subordinated to the Notes to at least the same extent as such Subordinated Obligations. No Subsidiary Guarantor shall Incur any Indebtedness under the preceding paragraph if the proceeds thereof are used, directly or indirectly, to refinance any Guarantor Subordinated Obligations of such Subsidiary Guarantor unless such Indebtedness shall be subordinated to the obligations of such Subsidiary Guarantor under its Subsidiary Guarantee to at least the same extent as such Guarantor Subordinated Obligations. No Restricted Subsidiary (other than a Subsidiary Guarantor) may Incur any Indebtedness if the proceeds are used to refinance Indebtedness of the Company or a Subsidiary Guarantor.

53

(c) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with, this Section 6.06:

(1) in the event that Indebtedness meets the criteria of more than one of the types of Indebtedness described in Sections 6.06(a) and 6.06(b), the Company, in its sole discretion, shall classify such item of Indebtedness on the date of Incurrence and may from time to time re-classify such item of Indebtedness in any manner that complies with this Section 6.06 and only be required to include the amount and type of such Indebtedness in one of such clauses; *provided* that all Indebtedness outstanding on the Issue Date under the Senior Credit Facility shall be deemed Incurred under clause (1) of Section 6.06(b) and not Section 6.06(a) of this Third Supplemental Indenture or clause (4) of Section 6.06(b);

(2) Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness which is otherwise included in the determination of a particular amount of Indebtedness shall not be included;

(3) if obligations in respect of letters of credit are Incurred pursuant to a Credit Facility and are being treated as Incurred pursuant to clause (1) of Section 6.06(b), and the letters of credit relate to other Indebtedness, then such other Indebtedness shall not be included;

(4) the principal amount of any Disqualified Stock of the Company or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary that is not a Subsidiary Guarantor, shall be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;

(5) Indebtedness permitted by this Section 6.06 need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this Section 6.06 permitting such Indebtedness;

(6) the principal amount of any Indebtedness outstanding in connection with a securitization transaction or series of securitization transactions is the amount of obligations outstanding under the legal documents entered into as part of such transaction that would be characterized

as principal if such transaction were structured as a secured lending transaction rather than as a purchase relating to such transaction; and

(7) the amount of Indebtedness issued at a price that is less than the principal amount thereof shall be equal to the amount of the liability in respect thereof determined in accordance with GAAP.

Accrual of interest, accrual of dividends, the accretion of accreted value, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock and the incurrence of unrealized losses or charges in respect of Hedging Obligations (including those resulting from the application of

FAS 133 and similar provisions), in each case shall be deemed not to be Incurrences of Indebtedness for purposes of this Section 6.06. The amount of any Indebtedness outstanding as of any date shall be (i) the accreted value thereof in the case of any Indebtedness issued with original issue discount and (ii) the principal amount or liquidation preference thereof, together with any interest thereon that is more than 30 days past due, in the case of any other Indebtedness.

In addition, the Company shall not permit any of its Unrestricted Subsidiaries to Incur any Indebtedness or issue any shares of Disqualified Stock, other than Non Recourse Debt. If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under this Section 6.06, the Company shall be in Default of this Section 6.06).

For purposes of determining compliance with any U.S. dollar denominated restriction on the Incurrence of Indebtedness, the U.S. dollar equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term Indebtedness, or first committed, in the case of revolving credit Indebtedness; *provided* that if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced. Notwithstanding any other provision of this Section 6.06, the maximum amount of Indebtedness that the Company may Incur pursuant to this Section 6.06 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such Refinancing Indebtedness is denominated that is in effect on the date of such refinancing.

SECTION 6.07 Limitation on Lines of Business

The Company shall not, and shall not permit any Restricted Subsidiary to, engage in any business as a primary line of business other than a Related Business.

SECTION 6.08 Limitation on Restricted Payments

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries, directly or indirectly, to:

(1) declare or pay any dividend or make any distribution (whether made in cash, securities or other property) on or in respect of its Capital Stock (including any payment in connection with any merger or consolidation involving the Company or any of its Restricted Subsidiaries) except:

(A) dividends or distributions payable in Capital Stock of the Company (other than Disqualified Stock); and

(B) dividends or distributions payable to the Company or another Restricted Subsidiary (and if such Restricted Subsidiary is not a Wholly Owned Subsidiary, to its other holders of common Capital Stock on a pro rata basis);

(2) purchase, redeem, retire or otherwise acquire for value any Capital Stock of the Company or any direct or indirect parent of the Company held by Persons other than the Company or a Restricted Subsidiary (other than in exchange for Capital Stock of the Company (other than Disqualified Stock));

(3) purchase, repurchase, redeem, defease or otherwise acquire or retire for value, prior to scheduled maturity, scheduled repayment or scheduled sinking fund payment, any Subordinated Obligations or Guarantor Subordinated Obligations (other than (A) Indebtedness of the Company owing to and held by any Subsidiary Guarantor or Indebtedness of a Subsidiary Guarantor owing to and held by the Company or any other Subsidiary Guarantor permitted under clause (3) of Section 6.06(b) of this Third Supplemental Indenture or (B) the purchase, repurchase, redemption, defeasance or other acquisition or retirement of Subordinated Obligations or Guarantor Subordinated Obligations in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of purchase, repurchase, redemption, defeasance or other acquisition or retirement); or

(4) make any Restricted Investment in any Person;

(any such dividend, distribution, purchase, redemption, repurchase, defeasance, other acquisition, retirement or Restricted Investment referred to in clauses (1) through (4) above shall be referred to herein as a "**Restricted Payment**"), if at the time the Company or such Restricted Subsidiary makes such Restricted Payment:

(A) a Default shall have occurred and be continuing (or would result therefrom); or

(B) the Company is not able to Incur \$1.00 of additional Indebtedness pursuant to Section 6.06(a) of this Third Supplemental Indenture after giving effect, on a pro forma basis, to such Restricted Payment as if such Restricted Payment and the use of proceeds thereof had been made at the beginning of the applicable four-quarter period; or

(C) the aggregate amount of such Restricted Payment and all other Restricted Payments declared or made subsequent to the Start Date (except as excluded by other provisions of this Section 6.08) would exceed the sum of (all such calculations being made as if this covenant had been in effect as of the Start Date and at all times thereafter):

(i) 50% of Consolidated Net Income for the period (treated as one accounting period) from the beginning of the fiscal quarter prior to the

56

quarter in which the Start Date occurred to the end of the most recent fiscal quarter ending prior to the date of such Restricted Payment for which financial statements are in existence (or, in case such Consolidated Net Income is a deficit, minus 100% of such deficit); plus

(ii) 100% of the aggregate fair market value of Qualified Proceeds received by the Company or any Subsidiary Guarantor from the issue or sale of its Capital Stock (other than Disqualified Stock) or other capital contributions subsequent to the Start Date (other than Qualified Proceeds received from an issuance or sale of such Capital Stock to a Subsidiary of the Company or an employee stock ownership plan, option plan or similar trust to the extent such sale to an employee stock ownership plan or similar trust is financed by loans from or Guaranteed by the Company or any Restricted Subsidiary unless such loans have been repaid with cash on or prior to the date of determination) excluding in any event Qualified Proceeds to the extent used as consideration for Permitted Investments pursuant to clause (17) of the definition of "Permitted Investments"; plus

(iii) the amount by which Indebtedness of the Company or its Restricted Subsidiaries is reduced on the Company's balance sheet upon the conversion or exchange (other than by a Subsidiary of the Company) subsequent to the Start Date of any Indebtedness of the Company or its Restricted Subsidiaries convertible or exchangeable for Capital Stock (other than Disqualified Stock) of the Company (less the amount of any cash, or the fair market value of any other property, distributed by the Company upon such conversion or exchange); plus

(iv) the amount equal to the net reduction in Restricted Investments made by the Company or any of its Restricted Subsidiaries in any Person resulting from:

(A) repurchases or redemptions of such Restricted Investments by such Person, proceeds realized upon the sale of such Restricted Investment to an unaffiliated purchaser, repayments of loans or advances or other transfers of assets (including by way of dividend or distribution) by such Person to the Company or any Restricted Subsidiary (other than for reimbursement of tax payments) and to the extent not otherwise already included releases or reductions of Guarantees; or

(B) the redesignation of Unrestricted Subsidiaries as Restricted Subsidiaries or the merger or consolidation of an Unrestricted Subsidiary with and into the Company or any of its Restricted Subsidiaries (valued in each case as provided in the definition of "Investment") not to exceed the amount of Investments previously made by the Company or any Restricted Subsidiary in such Unrestricted Subsidiary,

57

which amount in each case under this clause (iv) was included in the calculation of the amount of Restricted Payments; *provided, however*, that no amount shall be included under this clause (iv) to the extent it is already included in Consolidated Net Income.

(b) The provisions of Section 6.08(a) of this Third Supplemental Indenture shall not prohibit:

(1) any purchase, repurchase, redemption, defeasance or other acquisition or retirement of Capital Stock, Disqualified Stock or Subordinated Obligations of the Company or Guarantor Subordinated Obligations of any Subsidiary Guarantor made by conversion into or exchange for, or out of the proceeds of the substantially concurrent sale of, Capital Stock of the Company (other than Disqualified Stock and other than Capital Stock issued or sold to a Subsidiary or an employee stock ownership plan or similar trust to the extent such sale to an employee stock ownership plan or similar trust is financed by loans from or Guaranteed by the Company or any Restricted Subsidiary unless such loans have been repaid with cash on or prior to the date of determination); *provided, however*, that the amount of such Restricted Payments shall be excluded in subsequent calculations of the amount of Restricted Payments; *provided, further*, that the Qualified Proceeds from such sale of Capital Stock (to the extent so used) shall be excluded from clause (C)(ii) of Section 6.08(a) of this Third Supplemental Indenture;

(2) any purchase, repurchase, redemption, defeasance or other acquisition or retirement of Subordinated Obligations of the Company or Guarantor Subordinated Obligations of any Subsidiary Guarantor made by exchange for, or out of the proceeds of the substantially concurrent sale or Incurrence of, Subordinated Obligations of the Company or any purchase, repurchase, redemption, defeasance or other acquisition or retirement of Guarantor Subordinated Obligations made by exchange for or out of the proceeds of the substantially concurrent sale or Incurrence of Guarantor Subordinated Obligations that, in each case, is permitted to be Incurred pursuant to Section 6.06 of this Third Supplemental Indenture and that, if Incurred under Section 6.06(b) of this Third Supplemental Indenture, in each case constitutes Refinancing Indebtedness; *provided, however*, that the amount of such Restricted Payments shall be excluded in subsequent calculations of the amount of Restricted Payments;

(3) any purchase, repurchase, redemption, defeasance or other acquisition or retirement of Disqualified Stock of the Company or a Restricted Subsidiary made by exchange for or out of the proceeds of the substantially concurrent sale of Disqualified Stock of the Company or such Restricted Subsidiary, as the case may be, that, in each case, is permitted to be Incurred pursuant to Section 6.06 of this Third Supplemental

Indenture and that in each case constitutes Refinancing Indebtedness; *provided, however*, that the amount of such Restricted Payments shall be excluded in subsequent calculations of the amount of Restricted Payments;

(4) dividends paid within 60 days after the date of declaration if at such date of declaration such dividend would have complied with this provision; *provided, however*, that from and after the date of payment thereof the amount of such Restricted

58

Payments shall be included in subsequent calculations of the amount of Restricted Payments;

(5) so long as no Default or Event of Default has occurred and is continuing,

(A) the repurchase, redemption or other acquisition or retirement for value of Capital Stock of the Company or any direct or indirect parent of the Company held by any existing or former employees or directors of the Company or any Subsidiary of the Company or their assigns, estates or heirs, in each case in connection with the repurchase provisions under employee stock option or stock purchase agreements or other compensation-related agreements; *provided* that such Capital Stock was received for services related to, or for the benefit of, the Company and its Subsidiaries; and *provided further* that such repurchases, redemptions, acquisitions and retirements pursuant to this clause shall not exceed \$2.0 million in the aggregate during any calendar year and \$5.0 million in the aggregate for all such redemptions and repurchases, plus in each case, to the extent not previously applied, the amount of any capital contributions to the Company as a result of sales of Capital Stock of the Company or any direct or indirect parent of the Company to such Persons (*provided, however*, that the Qualified Proceeds from such sale of Capital Stock (to the extent so used) shall be excluded from clause (C)(ii) of Section 6.08(a) of this Third Supplemental Indenture), plus the amount of any “key man” insurance proceeds received by the Company or any Restricted Subsidiary to the extent not previously applied; and

provided, however, that the amount of such Restricted Payments shall be excluded in subsequent calculations of the amount of Restricted Payments;

(6) so long as no Default or Event of Default has occurred and is continuing, the declaration and payment of dividends to holders of any class or series of Disqualified Stock of the Company issued in accordance with the terms of the Indenture to the extent such dividends are included in the definition of “Consolidated Interest Expense;” *provided, however*, that the amount of such Restricted Payments shall be excluded in subsequent calculations of the amount of Restricted Payments;

59

(7) repurchases of Capital Stock deemed to occur upon the exercise of stock options, warrants or other convertible securities if such Capital Stock represents a portion of the exercise price thereof; *provided, however*, that the amount of such Restricted Payments shall be excluded in subsequent calculations of the amount of Restricted Payments;

(8) the purchase, repurchase, redemption, defeasance or other acquisition or retirement for value of any Subordinated Obligation or Guarantor Subordinated Obligation (A) at a purchase price not greater than 101% of the principal amount of such Subordinated Obligation or Guarantor Subordinated Obligation in the event of a Change of Control in accordance with provisions similar to Section 6.14 of this Third Supplemental Indenture or (B) at a purchase price not greater than 100% of the principal amount thereof in accordance with provisions similar to Section 6.11 of this Third Supplemental Indenture; *provided* that, prior to or simultaneously with such purchase, repurchase, redemption, defeasance or other acquisition or retirement, the Company (or a third party, in the case of a Change of Control Offer) has made the Change of Control Offer or Asset Disposition Offer, as applicable, as provided in such covenant with respect to the Notes and has completed the repurchase of all Notes validly tendered for payment in connection with such Change of Control Offer or Asset Disposition Offer; *provided, however*, that the amount of such Restricted Payments shall be included in subsequent calculations of the amount of Restricted Payments;

(9) (A) so long as no Event of Default described under clauses (1) or (2) thereof has occurred and is continuing, the declaration of dividends to holders of Common Stock of the Company of up to \$10.0 million in the aggregate for all such dividends and the subsequent payment of such dividends and (B) so long as no Default or Event of Default has occurred and is continuing, the declaration of dividends to holders of Common Stock of the Company of up to \$0.36 per share per calendar year (but in no event in excess of \$20.0 million in the aggregate during any calendar year pursuant to this clause (9)) and the subsequent payment of such dividends; *provided, however*, that in each case the amount of such Restricted Payments shall be included in subsequent calculations of the amount of Restricted Payments;

(13) payments to dissenting stockholders not to exceed \$5.0 million (A) pursuant to applicable law or (B) in connection with the settlement or other satisfaction of legal claims made pursuant to or in connection with a consolidation, merger or transfer of assets in connection with a transaction that is not prohibited by the Indenture; *provided, however*, that such payments shall be included in subsequent calculations of the amount of Restricted Payments; and

(14) so long as no Default or Event of Default has occurred and is continuing, Restricted Payments in an aggregate amount not to exceed \$30.0 million; *provided, however*, that the amount of such Restricted Payments shall be included in subsequent calculations of the amount of Restricted Payments.

The amount of all Restricted Payments (other than cash) shall be the fair market value on the date of such Restricted Payment of the asset(s) or securities proposed to be paid, transferred or issued by the Company or such Restricted Subsidiary, as the case may be, pursuant to such Restricted Payment. The fair market value of any cash Restricted Payment shall be its face amount and any non-cash Restricted Payment (i) of less than \$20.0 million shall be determined conclusively by an executive officer of the Company or (ii) of \$20.0 million or more shall be determined conclusively by the Board of Directors of the Company acting in good faith whose resolution with respect thereto shall be delivered to the Trustee. Not later than the date of making any Restricted Payment, the Company shall deliver to the Trustee an Officers' Certificate stating that such Restricted Payment is permitted and setting forth the basis upon which the calculations required by this Section 6.08 were computed, together with a copy of any fairness opinion or appraisal required by the Indenture.

SECTION 6.09 Limitation on Liens

The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur or suffer to exist any Lien (other than Permitted Liens) upon any of its property or assets (including Capital Stock of Subsidiaries), whether owned on the Issue Date or acquired after that date, which Lien is securing any Indebtedness, unless contemporaneously with the Incurrence of such Liens effective provision is made to secure the Indebtedness due under the Indenture and the Notes and, in respect of Liens on any Restricted Subsidiary's property or assets, any Subsidiary Guarantee of such Restricted Subsidiary, with Liens on such property or assets (1) in the case of unsubordinated Indebtedness, that rank equally and ratably with, or senior in priority to, the Liens securing such other Indebtedness, and (2) in the case of Subordinated Obligations or Guarantor Subordinated Obligations, that rank senior in priority to the Liens securing such other Indebtedness, in each case for so long as such other Indebtedness is so secured.

SECTION 6.10 Limitation on Restrictions on Distributions from Restricted Subsidiaries

(a) The Company shall not, and shall not permit any Restricted Subsidiary to, create or otherwise cause or permit to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

(1) pay dividends or make any other distributions on its Capital Stock or pay any Indebtedness or other obligations owed to the Company or any Restricted Subsidiary (it being understood that the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on Common Stock shall not be deemed a restriction on the ability to make distributions on Capital Stock);

(2) make any loans or advances to the Company or any Restricted Subsidiary (it being understood that the subordination of loans or advances made to the Company or any Restricted Subsidiary to other Indebtedness Incurred by the Company or any Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances); or

(3) transfer any of its property or assets to the Company or any Restricted Subsidiary (it being understood that such transfers shall not include any type of transfer described in clause (1) or (2) above).

(b) Section 6.10(a) of this Third Supplemental Indenture shall not prohibit:

(1) any encumbrance or restriction pursuant to an agreement in effect at or entered into on the Issue Date, including, without limitation, the Indenture, the Notes and the Senior Credit Facility (and related documentation) in effect on such date;

(2) any encumbrance or restriction with respect to a Restricted Subsidiary pursuant to any Capital Stock or agreement (including an agreement relating to any Capital Stock or Indebtedness) Incurred by a Restricted Subsidiary on or before the date on which such Restricted Subsidiary became a Restricted Subsidiary or was merged with or into or consolidated with or was acquired by the Company or a Restricted Subsidiary (other than Capital Stock or Indebtedness Incurred as consideration in, or to provide all or any portion of the funds utilized to consummate, the transaction or series of related transactions pursuant to which such Restricted Subsidiary became a Restricted Subsidiary or was acquired by the Company or in contemplation of the transaction) and outstanding on such date *provided*, that any such encumbrance or restriction shall not extend to any assets or property of the Company or any other Restricted Subsidiary other than the assets and property so acquired and all improvements, additions and accessions thereto and products and proceeds thereof, and that, in the case of Indebtedness, was permitted to be Incurred pursuant to the Indenture;

(3) any encumbrance or restriction with respect to a Restricted Subsidiary pursuant to an agreement effecting a refunding, replacement or refinancing, in whole or in part, of Indebtedness Incurred pursuant to an agreement referred to in clause (1) or (2) of this Section 6.10(b) or this clause (3) or contained in any amendment, restatement, modification, renewal, supplement, refunding, replacement or refinancing of an agreement referred to in clause (1) or (2) of this Section 6.10(b) or this clause (3); *provided, however*, that the encumbrances and restrictions with respect to such Restricted Subsidiary contained in any such agreement are not materially less favorable, taken as a whole, to the Holders of the Notes than the encumbrances and restrictions contained in

such agreements referred to in clauses (1) or (2) of this Section 6.10(b), on the Issue Date or the date such Restricted Subsidiary became a Restricted Subsidiary or was merged into a Restricted Subsidiary, whichever is applicable;

(4) in the case of clause (3) of Section 6.10(a) of this Third Supplemental Indenture, encumbrances and restrictions in agreements governing Liens permitted to be incurred under the provisions of Section 6.09 of this Third Supplemental Indenture;

(5) (i) purchase money obligations for property acquired in the ordinary course of business and (ii) Capitalized Lease Obligations permitted under the Indenture, in each case, that impose encumbrances or restrictions of the nature described in clause (3) of Section 6.10(a) of this Third Supplemental Indenture on the property so acquired;

(6) any restriction with respect to a Restricted Subsidiary (or any of its property or assets) imposed pursuant to an agreement entered into for the direct or indirect sale or disposition of the Capital Stock or assets of such Restricted Subsidiary (or the property or assets that are subject to such restriction) pending the closing of such sale or disposition;

(7) any customary encumbrances or restrictions imposed pursuant to any agreement constituting a Permitted Business Investment;

(8) restrictions on cash or other deposits and net worth provisions in leases and other agreements entered into by the Company or any Restricted Subsidiary in the ordinary course of business;

(9) encumbrances or restrictions arising or existing by reason of applicable law or any applicable rule, regulation or order;

(10) encumbrances or restrictions contained in Credit Facilities, indentures, other debt agreements and Hedging Obligations Incurred by the Company or any Restricted Subsidiary or Preferred Stock issued by Restricted Subsidiaries subsequent to the Issue Date and permitted pursuant to Section 6.06 of this Third Supplemental Indenture; *provided* that such encumbrances and restrictions contained in any such agreement or instrument shall not materially affect the Company's ability to make anticipated principal or interest payments on the Notes (as determined by the Board of Directors of the Company);

(11) customary supermajority voting provisions and other similar provisions contained in corporate charters, bylaws, stockholders' agreements, limited liability company agreements, partnership agreements, joint venture agreements and other similar agreements;

(12) encumbrances and restrictions contained in contracts entered into in the ordinary course of business, not relating to any Indebtedness, and that do not, individually or in the aggregate, detract from the value of property or assets of the Company or any Restricted Subsidiary or the ability of the Company or such Restricted

Subsidiary to realize such value, or to make any distributions relating to such property or assets in each case in any material respect; and

(13) restrictions on the transfer of property or assets required by any regulatory authority having jurisdiction over the Company or any Restricted Subsidiary or any of their businesses.

SECTION 6.11 Limitation on Sales of Assets and Subsidiary Stock

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, make any Asset Disposition unless:

(1) the Company or such Restricted Subsidiary, as the case may be, receives consideration at least equal to the fair market value (such fair market value to be determined on the date of contractually agreeing to such Asset Disposition), as determined in good faith by the Board of Directors (including as to the value of all non-cash consideration), of the shares and assets subject to such Asset Disposition;

(2) at least 75% of the consideration from such Asset Disposition received by the Company or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents; and

(3) an amount equal to 100% of the Net Available Cash from such Asset Disposition is applied by the Company or such Restricted Subsidiary, as the case may be:

(A) to the extent the Company or any Restricted Subsidiary, as the case may be, elects or is required to do so, to prepay, repay, redeem, defease or purchase Indebtedness of the Company or a Restricted Subsidiary (other than Capital Stock, Disqualified Stock, Subordinated Obligations, Guarantor Subordinated Obligations or Indebtedness owed to the Company or an Affiliate of the Company) within 330 days from the later of the date of such Asset Disposition or the receipt of such Net Available Cash; *provided, however*, that, in connection with any prepayment, repayment, redemption, defeasance or purchase of Indebtedness pursuant to this clause (3)(A), the Company or such Restricted Subsidiary shall retire such Indebtedness and shall cause the related commitment (if any) to be permanently reduced in an amount equal to the principal amount so prepaid, repaid, redeemed, defeased or purchased; and

(B) to the extent the Company or such Restricted Subsidiary elects, to invest in Additional Assets within 330 days from the later of the date of such Asset Disposition or the receipt of such Net Available Cash;

provided that pending the final application of any such Net Available Cash in accordance with clause (3)(A) or clause (3)(B) of this Section 6.11(a), the Company and its Restricted Subsidiaries may temporarily reduce Indebtedness or otherwise invest such Net Available Cash in any manner not prohibited by the Indenture.

Any Net Available Cash from Asset Dispositions that is not applied or invested as provided in the preceding paragraph shall be deemed to constitute "Excess Proceeds." On the 331st day after an Asset Disposition, if the aggregate amount of Excess Proceeds exceeds \$20.0 million, the Company shall be required to (and may, in satisfaction of such requirement, at any time prior to such day) make an offer (an "**Asset Disposition Offer**") to all Holders of Notes and to the extent required by the terms of other Pari Passu Indebtedness, to all Holders of other Pari Passu Indebtedness outstanding with similar provisions requiring the Company to make an offer to purchase such Pari Passu Indebtedness with the proceeds from any Asset Disposition ("**Pari Passu Notes**"), to purchase the maximum principal amount of Notes and any such Pari Passu Notes to which the Asset Disposition Offer applies that may be purchased out of the Excess Proceeds, at an offer price in cash in an amount equal to 100% of the principal amount of the Notes and Pari Passu Notes plus accrued and unpaid interest to the date of purchase, in accordance with the procedures set forth in the Indenture or the agreements governing the Pari Passu Notes, as applicable, in each case in denominations of \$2,000 and larger integral multiples of \$1,000. To the extent that the aggregate amount of Notes and Pari Passu Notes so validly tendered and not properly withdrawn pursuant to an Asset Disposition Offer is less than the Excess Proceeds, the Company may use any remaining Excess Proceeds for general corporate purposes, subject to other covenants contained in the Indenture. If the aggregate principal amount of Notes surrendered by Holders thereof and other Pari Passu Notes surrendered by Holders or lenders, collectively, exceeds the amount of Excess Proceeds, the Trustee shall select the Notes and Pari Passu Notes to be purchased on a pro rata basis on the basis of the aggregate principal amount of tendered Notes and Pari Passu Notes. Upon completion of such Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero.

(b) The Asset Disposition Offer shall remain open for a period of 20 Business Days following its commencement, except to the extent that a longer period is required by applicable law (the "**Asset Disposition Offer Period**"). No later than five Business Days after the termination of the Asset Disposition Offer Period (the "**Asset Disposition Purchase Date**"), the Company shall purchase the principal amount of Notes and Pari Passu Notes required to be purchased pursuant to this Section 6.11 (the "**Asset Disposition Offer Amount**") or, if less than the Asset Disposition Offer Amount has been so validly tendered, all Notes and Pari Passu Notes validly tendered in response to the Asset Disposition Offer.

If the Asset Disposition Purchase Date is on or after a Regular Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest shall be paid to the Person in whose name a Note is registered at the close of business on such Regular Record Date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Asset Disposition Offer.

On or before the Asset Disposition Purchase Date, the Company shall, to the extent lawful, accept for payment, on a pro rata basis to the extent necessary, the Asset Disposition Offer Amount of Notes and Pari Passu Notes or portions of Notes and Pari Passu Notes so validly tendered and not properly withdrawn pursuant to the Asset Disposition Offer, or if less than the Asset Disposition Offer Amount has been validly tendered and not properly withdrawn, all Notes and Pari Passu Notes so validly tendered and not properly withdrawn, in each case in integral multiples of \$1,000. The Company shall deliver to the Trustee an Officers' Certificate stating that such Notes or portions thereof were accepted for payment by the Company in

65

accordance with the terms of this Section 6.11 and, in addition, the Company shall deliver all certificates and notes required, if any, by the agreements governing the Pari Passu Notes. The Company or the Paying Agent, as the case may be, shall promptly (but in any case not later than five Business Days after the termination of the Asset Disposition Offer Period) mail or deliver to each tendering Holder of Notes or Holder or lender of Pari Passu Notes, as the case may be, an amount equal to the purchase price of the Notes or Pari Passu Notes so validly tendered and not properly withdrawn by such Holder or lender, as the case may be, and accepted by the Company for purchase, and the Company shall promptly issue a new Note, and the Trustee, upon delivery of an Officers' Certificate from the Company, shall authenticate and mail or deliver such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered; *provided* that each such new Note shall be in a principal amount of \$2,000 or a larger integral multiple of \$1,000. In addition, the Company shall take any and all other actions required by the agreements governing the Pari Passu Notes. Any Note not so accepted shall be promptly mailed or delivered by the Company to the Holder thereof. The Company shall publicly announce the results of the Asset Disposition Offer on the Asset Disposition Purchase Date.

(c) For the purposes of clause (2) of Section 6.11(a) of this Third Supplemental Indenture only, the following shall be deemed to be cash:

(1) the release of the Company and its Restricted Subsidiaries from all liability on Indebtedness (other than Subordinated Obligations or Disqualified Stock) of the Company or Indebtedness of a Restricted Subsidiary (other than Guarantor Subordinated Obligations or Disqualified Stock of any Subsidiary Guarantor) in connection with such Asset Disposition, whether by assumption and release, satisfaction and discharge, or otherwise (in which case the Company shall, without further action, be deemed to have applied such deemed cash to Indebtedness in accordance with clause (3)(A) of Section 6.11(a) of this Third Supplemental Indenture); and

(2) securities, notes or other obligations received by the Company or any Restricted Subsidiary from the transferee that are promptly converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents.

(d) The Company shall not, and shall not permit any Restricted Subsidiary to, engage in any Asset Swaps, unless:

(1) at the time of entering into such Asset Swap and immediately after giving effect to such Asset Swap, no Default or Event of Default shall have occurred and be continuing or would occur as a consequence thereof; and

(2) in the event such Asset Swap involves the transfer by the Company or any Restricted Subsidiary of assets having an aggregate fair market value, as determined by the Board of Directors of the Company in good faith, in excess of \$20.0 million, the terms of such Asset Swap have been approved by a majority of the members of the Board of Directors of the Company.

66

(e) The Company shall comply, to the extent applicable, with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section 6.11. To the extent that the provisions of any securities laws or

regulations conflict with provisions of this Section 6.11, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the Indenture by virtue of any conflict.

SECTION 6.12 Limitation on Affiliate Transactions

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, enter into or conduct any transaction (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any Affiliate of the Company (an “**Affiliate Transaction**”) involving aggregate consideration in excess of \$10.0 million unless:

(1) the terms of such Affiliate Transaction are no less favorable to the Company or such Restricted Subsidiary, as the case may be, than those that could be obtained in a comparable transaction at the time of such transaction in arm’s-length dealings with a Person who is not such an Affiliate; and

(2) in the event such Affiliate Transaction involves an aggregate consideration in excess of \$25.0 million, the terms of such transaction have been approved by a majority of the members of the Board of Directors of the Company and by a majority of the members of such Board having no personal stake in such transaction, if any (and such majority or majorities, as the case may be, determines that such Affiliate Transaction satisfies the criteria in clause (1) of this Section 6.12(a)).

(b) Section 6.12(a) of this Third Supplemental Indenture shall not apply to:

(1) any Restricted Payment (other than a Restricted Investment) and Permitted Investments (other than pursuant to clauses (1), (2), (11), (13) and (14) of the definition of “Permitted Investments”) permitted to be made pursuant to the Indenture;

(2) any issuance of securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment agreements and other compensation arrangements, options to purchase Capital Stock of the Company, restricted stock plans, long-term incentive plans, stock appreciation rights plans, participation plans or similar employee benefits plans and/or indemnity provided on behalf of officers, directors and employees approved by the Board of Directors of the Company;

(3) the payment of customary fees paid to, and indemnity provided on behalf of, directors of the Company or any Restricted Subsidiary;

(4) loans or advances to employees, officers or directors of the Company or any Restricted Subsidiary in the ordinary course of business in an aggregate amount not in excess of \$2.0 million with respect to all loans or advances made since the Issue Date (without giving effect to the forgiveness of any such loan); *provided, however*, that the Company and its Subsidiaries shall comply in all material respects with the provisions of

67

the Sarbanes Oxley Act of 2002 and the rules and regulations promulgated in connection therewith relating to the provision of any such loans and advances as if the Company had filed a registration statement with the Commission;

(5) any transaction between the Company and a Restricted Subsidiary or between Restricted Subsidiaries and Guarantees issued by the Company or a Restricted Subsidiary for the benefit of the Company or a Restricted Subsidiary, as the case may be, in accordance with Section 6.06 of this Third Supplemental Indenture;

(6) the existence of, and the performance of obligations of the Company or any of its Restricted Subsidiaries under the terms of any agreement to which the Company or any of its Restricted Subsidiaries is a party as of or on the Issue Date and identified on Schedule 1 hereto, as these agreements may be amended, modified, supplemented, extended or renewed from time to time; *provided, however*, that any future amendment, modification, supplement, extension or renewal entered into after the Issue Date shall be permitted to the extent that its terms, taken as a whole, are not materially more disadvantageous to the Holders of the Notes than the terms of the agreements in effect on the Issue Date;

(7) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, including Eagle Creek Mining & Drilling, Inc., in each case in the ordinary course of the business of the Company and its Restricted Subsidiaries and otherwise in compliance with the terms of the Indenture; *provided* that in the reasonable determination of the members of the Board of Directors or senior management of the Company, such transactions are on terms that are no less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person; and

(8) any issuance or sale of Capital Stock (other than Disqualified Stock) to Affiliates of the Company and the granting of registration and other customary rights in connection therewith.

SECTION 6.13 Limitation on Sale of Capital Stock of Restricted Subsidiaries

The Company shall not, and shall not permit any Restricted Subsidiary to, transfer, convey, sell, lease or otherwise dispose of any Voting Stock of any Restricted Subsidiary or, with respect to a Restricted Subsidiary, to issue any of the Voting Stock of a Restricted Subsidiary (other than, if necessary, shares of its Voting Stock constituting Foreign Required Minority Shares) to any Person except:

(1) to the Company or a Wholly Owned Subsidiary;

(2) the granting of Liens permitted under Section 6.09 of this Third Supplemental Indenture; and

(3) in compliance with Section 6.11 of this Third Supplemental Indenture and immediately after giving effect to such issuance or sale, such Restricted Subsidiary would continue to be a Restricted Subsidiary.

68

Notwithstanding the preceding paragraph, the Company and its Restricted Subsidiaries may sell all the Voting Stock of a Restricted Subsidiary as long as the Company or its Restricted Subsidiaries comply with the terms of Section 6.11 of this Third Supplemental Indenture.

SECTION 6.14 Change of Control

If a Change of Control occurs, unless the Company has exercised its right to redeem all of the Notes pursuant to Section 7.05 of this Third Supplemental Indenture, each Holder of Notes shall have the right to require the Company to repurchase all or any part (equal to \$2,000 or larger integral multiples of \$1,000) of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount of the Notes plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date).

Within 30 days following any Change of Control, unless the Company has given irrevocable notice that it shall exercise its right to redeem all of the Notes pursuant to Section 7.05 of this Third Supplemental Indenture, the Company shall mail (in the case of Notes held in book-entry form, by electronic transmission) a notice (the "**Change of Control Offer**") to each Holder, with a copy to the Trustee, stating:

- (1) that a Change of Control has occurred and that such Holder has the right to require the Company to purchase such Holder's Notes at a purchase price in cash equal to 101% of the principal amount of such Notes plus accrued and unpaid interest, if any, to the date of purchase (subject to the right of Holders of record on a record date to receive interest on the relevant interest payment date) (the "**Change of Control Payment**");
- (2) the repurchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed) (the "**Change of Control Payment Date**"); and
- (3) the procedures determined by the Company, consistent with the Indenture, that a Holder must follow in order to have its Notes repurchased.

On the Change of Control Payment Date, the Company shall, to the extent lawful:

- (1) accept for payment all Notes or portions of Notes (of \$2,000 or larger integral multiples of \$1,000) properly tendered pursuant to the Change of Control Offer;
- (2) deposit prior to 11:00 A.M. New York City time with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes so tendered; and
- (3) deliver or cause to be delivered to the Trustee any definitive Notes so accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

The Paying Agent shall promptly mail (or cause to be transferred by book entry) to each Holder of Notes so tendered the Change of Control Payment for such Notes, and the Trustee

shall promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each such new Note shall be in a principal amount of \$2,000 or larger integral multiples of \$1,000.

If the Change of Control Payment Date is on or after a Regular Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest, if any, shall be paid on the relevant Interest Payment Date to the Person in whose name a Note is registered at the close of business on such Regular Record Date, and no additional interest shall be payable to Holders who tender pursuant to the Change of Control Offer.

The Company shall not be required to make a Change of Control Offer following a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

The Company shall comply, to the extent applicable, with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section 6.14. To the extent that the provisions of any securities laws or regulations conflict with provisions of the Indenture, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached this Section 6.14 by virtue of the conflict.

SECTION 6.15 Commission Reports

Notwithstanding that the Company may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, to the extent permitted by the Exchange Act, the Company shall file with the Commission, and make available to the Trustee and the registered Holders of the Notes, the annual reports and the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may by rules and regulations prescribe) that are specified in Sections 13 and 15(d) of the Exchange Act with respect to U.S. issuers, in each case not later than 60 days after the final due dates therefor specified therein or in the relevant forms (after giving effect to any cure period specified therein). For the avoidance of doubt, no Default shall be deemed to occur under the Indenture with respect to the Notes until the expiration of such 60-day period; provided that the Trustee shall have no responsibility whatsoever to determine if such filing or posting has occurred.

In the event that the Company is not permitted to file such reports, documents and information with the Commission pursuant to the Exchange Act, the Company shall nevertheless make available such Exchange Act information to the Trustee and the Holders of the Notes as if the Company were subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act, in each case not later than 60 days after the final due dates therefor specified therein or

in the relevant forms (after giving effect to any cure period specified therein). For the avoidance of doubt, no Default shall be deemed to occur under the Indenture with respect to the Notes until the expiration of such 60-day period.

If the Company has designated any of its Subsidiaries as Unrestricted Subsidiaries, then the quarterly and annual financial information required by this Section 6.15 shall include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes to the financial statements and in Management's Discussion and Analysis of Results of Operations and Financial Condition, of the financial condition and results of operations of the Company and its Restricted Subsidiaries.

In the event that any direct or indirect parent company of the Company becomes a guarantor of the Notes, the Company may satisfy its obligations under this Section 6.15 by furnishing financial information relating to such parent; *provided* that (a) such financial statements are accompanied by consolidating financial information for such parent, the Company, the Subsidiary Guarantors and the Subsidiaries of the Company that are not Subsidiary Guarantors in the manner prescribed by the Commission and (b) such parent is not engaged in any business in any material respect other than incidental to its ownership, directly or indirectly, of the Capital Stock of the Company.

Pursuant to Section 3.02(5)(a) of this Third Supplemental Indenture, a Default under this Section 6.15 is subject to a 180-day cure period. During such cure period, the interest rate on the Notes shall increase by the Additional Interest.

SECTION 6.16 Future Subsidiary Guarantors

After the Issue Date, the Company shall cause each Restricted Subsidiary (other than a Foreign Subsidiary) that Guarantees any Indebtedness of the Company or any Subsidiary Guarantor to execute and deliver to the Trustee a Subsidiary Guarantee pursuant to which such Subsidiary Guarantor shall unconditionally Guarantee, on a joint and several basis, the full and prompt payment of the principal of, premium, if any and interest on the Notes on a senior basis.

ARTICLE SEVEN
REDEMPTION OF NOTES

SECTION 7.01 Original Indenture

Sections 1103, 1106 and 1108 of the Original Indenture shall not apply to the Notes; and, insofar as relating to the Notes, any reference in the Original Indenture to Sections 1103, 1106 or 1108 thereof shall be deemed to refer to Sections 7.02, 7.03 or 7.04, respectively, of this Third Supplemental Indenture.

SECTION 7.02 Selection by Trustee of Notes to Be Redeemed

If less than all the Notes are to be redeemed at any time pursuant to an optional redemption, the particular Notes to be redeemed shall be selected not more than 60 days prior to the Redemption Date by the Trustee, from the outstanding Notes not previously called for redemption, in compliance with the requirements of the principal national securities exchange, if any, on which such Notes are listed, or, if such Notes are not so listed, then by lot or by such other method as the Trustee in its sole discretion shall deem fair and appropriate (and in such manner as complies with applicable legal requirements) and which may provide for the selection for redemption of portions of the principal of the Notes; *provided, however*, that no such partial

redemption shall reduce the portion of the principal amount of a Note not redeemed to less than \$2,000.

The Trustee shall promptly notify the Company in writing of the Notes selected for redemption as aforesaid and, in case of any Notes selected for partial redemption as aforesaid, the principal amount thereof to be redeemed.

For all purposes of the Indenture, unless the context otherwise requires, all provisions relating to the redemption of Notes shall relate, in the case of any Notes redeemed or to be redeemed only in part, to the portion of the principal amount of such Notes which has been or is to be redeemed. If the Company shall so direct, Notes registered in the name of the Company, any Affiliate or any Subsidiary thereof shall not be included in the Notes selected for redemption.

SECTION 7.03 Notes Payable on Redemption Date

Notice of redemption having been given as aforesaid, the Notes so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Company shall default in the payment of the Redemption Price and accrued interest) such Notes shall cease to bear interest. Upon surrender of any such Note for redemption in accordance with said notice, such Note shall be paid by the Company at the Redemption Price, together with accrued interest to (but excluding) the Redemption Date; *provided, however*, that, if the Redemption Date is on or after a Regular Record Date and on or before the related Interest Payment Date, the accrued and unpaid interest, if any, shall be paid to the Person in whose name the Note is registered at the close of business on such Regular Record Date, and no additional interest shall be payable to Holders whose Notes shall be subject to redemption by the Company.

If any Note called for redemption shall not be so paid upon surrender thereof for redemption, the principal and any premium shall, until paid, bear interest from the Redemption Date at the rate prescribed therefor in the Note.

SECTION 7.04 Other Mandatory Redemption

The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes. Under certain circumstances, the Company may be required to offer to purchase Notes as described under Sections 6.11 and 6.14. The Company may, at any time and from time to time,

purchase Notes in the open market or otherwise.

SECTION 7.05 Optional Redemption

(a) Except as described in subsections (b), (c), and (d) below, the Notes are not redeemable at the option of the Company prior to maturity.

(b) On and after March 15, 2017, the Company may redeem all or, from time to time, a part of the Notes upon not less than 30 nor more than 60 days' notice, at the following Redemption Prices (expressed as a percentage of principal amount of Notes to be redeemed), plus accrued and unpaid interest, if any, to the applicable Redemption Date (subject to the right

72

of Holders of record on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date), if redeemed during the 12-month period beginning on March 15 of the years indicated below:

<u>Year</u>	<u>Percentage</u>
2017	103.188%
2018	102.125%
2019	101.063%
2020 and thereafter	100.000%

**ARTICLE EIGHT
DEFEASANCE AND COVENANT DEFEASANCE
WITH RESPECT TO THE NOTES**

SECTION 8.01 Original Indenture

Article Twelve of the Original Indenture shall not apply to the Notes.

SECTION 8.02 Discharge of Liability on Notes; Defeasance

(a) Subject to Sections 8.02(b) and 8.03 of this Third Supplemental Indenture, the Company at any time may terminate (i) all its obligations under the Notes and the Indenture and all obligations of the Subsidiary Guarantors under the Subsidiary Guarantees and the Indenture ("**legal defeasance**"), and after giving effect to such legal defeasance, any omission to comply

73

with such obligations shall no longer constitute a Default or Event of Default or (ii) its obligations under clause (3) of Section 4.02 of this Third Supplemental Indenture and Sections 6.05, 6.06, 6.07, 6.08, 6.09, 6.10, 6.11, 6.12, 6.13, 6.14, 6.15, or 6.16 of this Third Supplemental Indenture and Section 1006 of the Original Indenture and the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply with such covenants shall no longer constitute a Default or an Event of Default under clauses (3), (4) and (5) of Section 3.02 of this Third Supplemental Indenture and the operation of clauses (6), (7) (but only with respect to a Significant Subsidiary or group of Restricted Subsidiaries that would constitute a Significant Subsidiary), (8) and (9) of Section 3.02 of this Third Supplemental Indenture, and the events specified in such Sections shall no longer constitute an Event of Default (clause (ii) being referred to as the "**covenant defeasance**"), but except as specified above, the remainder of the Indenture and the Notes shall be unaffected thereby. The Company may exercise its legal defeasance option notwithstanding its prior exercise of its covenant defeasance option.

If the Company exercises its legal defeasance option, payment of the Notes may not be accelerated because of an Event of Default with respect to the Notes, and the Subsidiary Guarantees in effect at such time shall terminate. If the Company exercises its covenant defeasance option, payment of the Notes may not be accelerated because of an Event of Default specified in clauses (3) (as such clause relates to Section 4.02(3)), (4) (as such clause relates to Sections 6.05, 6.06, 6.07, 6.08, 6.09, 6.10, 6.11, 6.12, 6.13, 6.14, or 6.16 of this Third Supplemental Indenture), (5), (6), (7) (but only with respect to a Significant Subsidiary or group of Restricted Subsidiaries that would constitute a Significant Subsidiary), (8) and (9) of Section 3.02 of this Third Supplemental Indenture.

Upon satisfaction of the conditions set forth herein and upon request of the Company, the Trustee shall acknowledge in writing the discharge of those obligations that the Company terminates.

(b) Notwithstanding the provisions of Article Four of the Original Indenture and Section 8.02(a) of this Third Supplemental Indenture, following legal defeasance the Company's obligations in Sections 304, 305, 306, 309, 607, 608, 1001 (to the extent of the legal defeasance trust), 1002 and 1003 of the Original Indenture and Sections 6.03 and 6.04 and Article Eight of this Third Supplemental Indenture shall survive until the Notes have been paid in full. Thereafter, the Company's obligations in Sections 607 of the Original Indenture and Sections 8.04, 8.06 and 8.07 of this Third Supplemental Indenture shall survive.

SECTION 8.03 Conditions to Defeasance

The Company may exercise its legal defeasance option or its covenant defeasance option only if:

(a) the Company irrevocably deposits in trust with the Trustee for the benefit of the Holders money in U.S. dollars or U.S. Government Obligations or a combination thereof for the

74

payment of principal, premium, if any, and interest on the Notes to maturity or redemption, as the case may be;

(b) the Company delivers to the Trustee a certificate from a nationally recognized firm of independent accountants expressing their opinion (or if nationally recognized independent accounting firms no longer routinely express such opinions, a certificate from the chief financial officer of the Company expressing his or her opinion) that the payments of principal and interest when due and without reinvestment on the deposited U.S. Government Obligations plus any deposited money without investment shall provide cash at such times and in such amounts as shall be sufficient to pay principal, premium, if any, and interest when due on all the Notes to maturity;

(c) no Default or Event of Default shall have occurred and be continuing on the date of such deposit (other than Defaults and Events of Default arising out of the incurrence of Indebtedness used to fund such deposit) or, with respect to the Company under clause (Z) of Section 3.02 of this Third Supplemental Indenture, on the 123rd day after such date of deposit;

(d) such legal defeasance or covenant defeasance shall not result in a breach or violation of, or constitute a Default under, the Indenture or any other material agreement or instrument to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound;

(e) the Company shall have delivered to the Trustee an Opinion of Counsel (subject to customary assumptions and exclusions) to the effect that, assuming no intervening bankruptcy of the Company between the date of deposit and the 123rd day following the deposit and that no Holder of the Notes is an insider of the Company within the meaning of the Bankruptcy Law, after the 123rd day following the deposit, the trust funds shall not be subject to the effect of any applicable bankruptcy, insolvency, reorganization or similar laws affecting creditors' right generally;

(f) the Company delivers to the Trustee an Opinion of Counsel (subject to customary assumptions and exclusions) to the effect that the trust resulting from the deposit does not constitute, or is qualified as, a regulated investment company under the Investment Company Act of 1940;

(g) in the case of legal defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel (subject to customary assumptions and exclusions) in the United States stating that (i) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (ii) since the date of this Third Supplemental Indenture there has been a change in the applicable Federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders shall not recognize income, gain or loss for Federal income tax purposes as a result of such defeasance and shall be subject to Federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such legal defeasance had not occurred;

(h) in the case of covenant defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel (subject to customary exceptions) in the United States to the

75

effect that the Holders shall not recognize income, gain or loss for Federal income tax purposes as a result of such deposit and covenant defeasance and shall be subject to Federal income tax on the same amount, in the same manner and at the same times as would have been the case if such deposit and covenant defeasance had not occurred; and

(i) the Company delivers to the Trustee an Officers' Certificate and an Opinion of Counsel, together stating that all conditions precedent to the defeasance and discharge of the Notes and the Indenture as contemplated by this Article Eight have been complied with.

SECTION 8.04 Application of Trust Money

The Trustee shall hold in trust money or U.S. Government Obligations deposited with it pursuant to this Article Eight. It shall apply the deposited money and the money from U.S. Government Obligations through the Paying Agent and in accordance with the Indenture to the payment of principal of and interest on the Notes.

SECTION 8.05 Repayment to Company

The Trustee and the Paying Agent shall promptly turn over to the Company upon request any excess money, U.S. Government Obligations or securities held by them upon payment of all the obligations under the Indenture.

Subject to any applicable abandoned property law, the Trustee and the Paying Agent shall pay to the Company upon request any money held by them for the payment of principal of or interest on the Notes that remains unclaimed for two years, and, thereafter, Holders entitled to the money must look to the Company for payment as general creditors.

SECTION 8.06 Indemnity for U.S. Government Obligations

The Company shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against deposited U.S. Government Obligations or the principal and interest received on such U.S. Government Obligations.

SECTION 8.07 Reinstatement

If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with this Article Eight by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the obligations of the Company and the Subsidiary Guarantors under the Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article Eight until such time as the Trustee or Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with this Article Eight; *provided, however*, that, if the Company has made any payment of interest on or principal of any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

76

ARTICLE NINE
SUBSIDIARY GUARANTEE

SECTION 9.01 Subsidiary Guarantee

Each Subsidiary Guarantor hereby fully, unconditionally and irrevocably guarantees, as primary obligor and not merely as surety, jointly and severally with each other Subsidiary Guarantor, to each Holder of the Notes and the Trustee the full and punctual payment when due, whether at maturity, by acceleration, by redemption or otherwise, of the principal of, premium, if any, and interest on the Notes and all other monetary obligations of the Company under the Indenture (all the foregoing being hereinafter collectively called the “*Obligations*”). Each Subsidiary Guarantor further agrees (to the extent permitted by law) that the Obligations may be extended or renewed, in whole or in part, without notice or further assent from it, and that it shall remain bound under this Article Nine notwithstanding any extension or renewal of any Obligation.

Each Subsidiary Guarantor waives presentation to, demand of payment from and protest to the Company of any of the Obligations and also waives notice of protest for nonpayment. Each Subsidiary Guarantor waives notice of any default under the Notes or the Obligations. The obligations of each Subsidiary Guarantor hereunder shall not be affected by (a) the failure of any Holder to assert any claim or demand or to enforce any right or remedy against the Company or any other Person under the Indenture, the Notes or any other agreement or otherwise; (b) any extension or renewal of any thereof; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of the Indenture, the Notes or any other agreement; (d) the release of any security held by any Holder or the Trustee for the Obligations or any of them; (e) the failure of any Holder to exercise any right or remedy against any other Subsidiary Guarantor; or (f) any change in the ownership of the Company.

Each Subsidiary Guarantor further agrees that its Subsidiary Guarantee herein constitutes a Guarantee of payment when due (and not a Guarantee of collection) and waives any right to require that any resort be had by any Holder to any security held for payment of the Obligations.

Except as expressly set forth in Sections 8.02(a), 9.02 and 9.03 of this Third Supplemental Indenture, the obligations of each Subsidiary Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Subsidiary Guarantor herein shall not be discharged or impaired or otherwise affected by the failure of any Holder to assert any claim or demand or to enforce any remedy under the Indenture, the Notes or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the Obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Subsidiary Guarantor or would otherwise operate as a discharge of such Subsidiary Guarantor as a matter of law or equity.

77

Each Subsidiary Guarantor further agrees that its Subsidiary Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any of the Obligations is rescinded or must otherwise be restored by any Holder upon the bankruptcy or reorganization of the Company or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder has at law or in equity against any Subsidiary Guarantor by virtue hereof, upon the failure of the Company to pay any of the Obligations when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, each Subsidiary Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders an amount equal to the sum of (i) the unpaid amount of such Obligations then due and owing and (ii) accrued and unpaid interest on such Obligations then due and owing (but only to the extent not prohibited by law) and except as provided in Section 9.03 of this Third Supplemental Indenture.

Each Subsidiary Guarantor further agrees that, as between such Subsidiary Guarantor, on the one hand, and the Holders, on the other hand, (x) the maturity of the Obligations guaranteed hereby may be accelerated as provided in the Indenture for the purposes of its Subsidiary Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed hereby and (y) in the event of any such declaration of acceleration of such Obligations, such Obligations (whether or not due and payable) shall forthwith become due and payable by the Subsidiary Guarantor for the purposes of this Subsidiary Guarantee.

Each Subsidiary Guarantor also agrees to pay any and all reasonable costs and expenses (including reasonable attorneys' fees) incurred by the Trustee or the Holders in enforcing any rights under this Section 9.01.

SECTION 9.02 Termination, Release and Discharge

(a) Subject to Section 6.11 and Article Four of this Third Supplemental Indenture, each Subsidiary Guarantor may consolidate with or merge into or sell all or substantially all of its property and assets to the Company, another Subsidiary Guarantor or a Person other than the Company or another Subsidiary Guarantor (whether or not Affiliated with the Subsidiary Guarantor).

(b) Notwithstanding the foregoing and the other provisions of the Indenture, in the event a Subsidiary Guarantor is sold or disposed of (whether by merger, consolidation, the sale of its Capital Stock or the sale of all or substantially all of its assets (other than by lease) and whether or not the Subsidiary Guarantor is the surviving corporation in such transaction) to a Person which is not the Company or a Restricted Subsidiary, such Subsidiary Guarantor shall be released from its obligations under its Subsidiary Guarantee if:

(1) the sale or other disposition is in compliance with the Indenture, including Section 6.11 of this Third Supplemental Indenture (it being understood that only such portion of the Net Available Cash as is required to be applied on or before the date of such release in accordance with the terms of the Indenture needs to be applied in

78

accordance therewith at such time), Section 6.13 and Article Four of this Third Supplemental Indenture; and

(2) all the obligations of such Subsidiary Guarantor under all Indebtedness of the Company and all Subsidiary Guarantors terminate upon consummation of such transaction.

(c) A Subsidiary Guarantor shall be deemed released and relieved of its obligations under the Indenture and its Subsidiary Guarantee without any further action required on the part of the Company or such Subsidiary Guarantor upon the designation of such Subsidiary Guarantor as an Unrestricted Subsidiary in accordance with the terms of the Indenture or in connection with any legal defeasance of the Notes or upon satisfaction and discharge of the Indenture, each in accordance with the provisions of the Indenture.

SECTION 9.03 Limitation of Subsidiary Guarantors' Liability

Each Subsidiary Guarantor, and by its acceptance hereof each Holder, hereby confirms that it is the intention of all such parties that the guarantee by such Subsidiary Guarantor pursuant to its Subsidiary Guarantee not constitute a fraudulent transfer or conveyance for purposes of the Federal Bankruptcy Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar Federal or state law. To effectuate the foregoing intention, the Holders and each Subsidiary Guarantor hereby irrevocably agree that the obligations of each Subsidiary Guarantor shall be limited to the maximum amount as shall, after giving effect to all other contingent and fixed liabilities of such Subsidiary Guarantor (including, without limitation, any guarantees under the Senior Credit Facility) and after giving effect to any collections from or payments made by or on behalf of any other Subsidiary Guarantor in respect of the obligations of such other Subsidiary Guarantor under its Subsidiary Guarantee or pursuant to Section 9.04 of this Third Supplemental Indenture, result in the obligations of such Subsidiary Guarantor under its Subsidiary Guarantee not constituting a fraudulent conveyance or fraudulent transfer under Federal or state law. This Section 9.03 is for the benefit of the creditors of each Subsidiary Guarantor.

SECTION 9.04 Contribution

In order to provide for just and equitable contribution among the Subsidiary Guarantors, the Subsidiary Guarantors agree, that in the event any payment or distribution is made by any Subsidiary Guarantor (a "Funding Guarantor") under its Subsidiary Guarantee, such Funding Guarantor shall be entitled to a contribution from each other Subsidiary Guarantor (if any) in a pro rata amount based on the Adjusted Net Assets of each Subsidiary Guarantor (including the Funding Guarantor) for all payments, damages and expenses incurred by that Funding Guarantor in discharging the Company's obligations with respect to the Notes or any other Subsidiary Guarantor's obligations with respect to its Subsidiary Guarantee.

The Company will pay interest (except Defaulted Interest) to the Persons who are registered Holders of Notes at the close of business on the March 1 or September 1 next preceding the Interest Payment Date even if Notes are cancelled, repurchased or redeemed after the Regular Record Date and on or before the Interest Payment Date. Holders must surrender Notes to a Paying Agent to collect principal payments. The Company will pay principal and interest in money of the United States that at the time of payment is legal tender for payment of public and private debts. Payments in respect of Notes represented by a Global Security (including principal, premium, if any, and interest) will be made by the transfer of immediately available funds to the accounts specified by The Depository Trust Company. The Company shall make all payments in respect of a Definitive Security (including principal, premium, if any, and interest) at the office or agency of the Company maintained for such purpose in The City of New York, if any, or at such other office or agency of the Company as may be maintained for such purpose pursuant to the Indenture; *provided, however*, that, at the option of the Company, each installment of interest may be paid by (i) check mailed to addresses of the Persons entitled thereto as such addresses shall appear on the Note Register or (ii) wire transfer to an account located in the United States maintained by the payee.

The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S.C. §§ 77aaa-77bbb) as in effect on the date of the Indenture (the "**Trust Indenture Act**"; *provided, however*, that in the event the Trust Indenture Act is amended after such date, "Trust Indenture Act" shall mean, to the extent required by any such amendment, the Trust Indenture Act of 1939 as so amended). Capitalized terms used herein and not defined herein have the meanings ascribed thereto in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture and the Trust Indenture Act for a statement of those terms.

(c) Prior to March 15, 2017, the Notes may be redeemed, in whole or in part, at any time at the option of the Company upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to each Holder of Notes at its registered address, at a Redemption Price equal to 100% of the principal amount of the Notes redeemed plus the Applicable Premium plus accrued and unpaid interest, if any, to the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date).

8. Repurchase Provisions

(a) If a Change of Control occurs, each Holder of Notes will have the right to require the Company to repurchase all or any part (equal to \$2,000 or a larger integral multiple thereof) of the Notes of such Holder at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date of repurchase (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date) as provided in, and subject to the terms of, the Indenture.

A-4

accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange of any Note for a period beginning (i) 15 days before the mailing of a notice of redemption of Notes to be repurchased or redeemed and ending at the close of business on the day of such mailing (except, in the case of Notes to be redeemed in part, the portion of the Note not to be redeemed) or (ii) 15 days before an Interest Payment Date and ending on such Interest Payment Date.

10. Persons Deemed Owners

The registered Holder of this Note may be treated as the owner of it for all purposes.

11. Unclaimed Money

If money for the payment of principal or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Company at its request unless an abandoned property law designates another Person. After any such payment, Holders entitled to the money must look only to the Company and not to the Trustee for payment.

12. Defeasance

Subject to certain conditions set forth in the Indenture, the Company at any time may terminate some or all of its obligations under the Notes and the Indenture if the Company deposits with the Trustee money or U.S. Government Obligations for the payment of principal and interest on the Notes to redemption or maturity, as the case may be.

13. Amendment, Supplement, Waiver

Subject to certain exceptions set forth in the Indenture, (i) the Indenture and the Notes may be amended or supplemented by the Company, any Subsidiary Guarantors and the Trustee with the written consent of the Holders of at least a majority in principal amount of the then outstanding Notes and (ii) any default (other than with respect to nonpayment or in respect of a provision that cannot be amended without the written consent of each Holder affected) or noncompliance with any provision may be waived with the written consent of the Holders of a majority in principal amount of the then outstanding Notes. Subject to certain exceptions set forth in the Indenture, without the consent of any Holder, the Company, any Subsidiary Guarantors and the Trustee may amend or supplement the Indenture and the Notes to (each of which are more specially described in the Indenture): cure any ambiguity, omission, defect or inconsistency; comply with Article Four of the Third Supplemental Indenture in respect of the assumption by a Successor Company of the obligations of the Company or the assumption by a successor Person of the obligations of any Subsidiary Guarantor under the Indenture; provide for uncertificated Notes in addition to or in place of certificated Notes; add Guarantees with respect to the Notes or release a Subsidiary Guarantor from its obligations under its Subsidiary Guarantee or the Indenture in accordance with the applicable provisions of the Indenture; secure the Notes; add to the covenants of the Company for the benefit of the Holders of the Notes or surrender any right or power conferred upon the Company; make any change that does not adversely affect the rights of any Holder of Notes; comply with any requirement of the

Commission in connection with the qualification of the Indenture under the TIA; or conform the text of the Indenture, the Notes or the Subsidiary Guarantees to any provision of the "Description of notes" contained in the Prospectus Supplement to the extent that such provision in the "Description of notes" contained in the Prospectus Supplement is intended to be a verbatim recitation of a provision of the Indenture, the Notes or the Subsidiary Guarantees.

14. Defaults and Remedies

If an Event of Default (other than an Event of Default relating to specified bankruptcy covenants) occurs and is continuing, the Trustee by notice to the Company, or the Holders of at least 25% in principal amount of the outstanding Notes by written notice to the Company and the Trustee, may, and the Trustee at the request of such Holders will, declare all the Notes to be immediately due and payable, as provided more fully in the Indenture. If an Event of Default relating to specified bankruptcy covenants occurs and is continuing, the principal of, premium, if any, and accrued and unpaid interest on all the Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders, as provided more fully in the Indenture.

Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Notes unless it receives indemnity or security satisfactory to it. Subject to certain limitations, Holders of a majority in principal amount of the Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing Default or Event of Default (except a Default or Event of Default in payment of principal or interest) if it determines that withholding notice is in their interest.

15. Trustee Dealings with the Company

Subject to certain limitations set forth in the Indenture, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its affiliates with the same rights it would have if it were not Trustee.

16. No Recourse Against Others

No director, officer, employee, incorporator or stockholder of the Company or any Subsidiary Guarantor, as such, shall have any liability for any obligations of the Company under the Notes, the Indenture or the Subsidiary Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.
